

Get Podcasts

and stay current with sermons

iTunes is free to download and can be used to listen to music, watch videos, and subscribe to the **Montrose Church** podcast.

1. Get iTunes

Go to www.apple.com/itunes/download/. Follow the instructions to download and install iTunes.

For more information on using iTunes, go to www.apple.com/itunes/tutorials/.

2. Subscribe

From the main iTunes screen, click **iTunes Store** (in the left column). In the search field (in the upper right hand corner of the screen), type in **Montrose Church**. When you see the Montrose Church Podcast, simply click **Subscribe**.

When you subscribe, new sermons are automatically downloaded to your computer as they become available.

3. Listen, Sync, Burn...

From the main iTunes screen, click **Podcasts** (in the left column). You can listen online, sync the podcasts to your iPod/mp3 player, or burn a CD of your favorites.

4. or, Listen on our website

You can also listen online directly from our website at www.montrosechurch.org/podcasts.
